DESIGN DIMENSIONS

is a dedicated organization of highly educated and extensively hardworking professionals having a vast store of technology and expertise in the field of designing and construction. DESIGN DIMENSIONS creates new horizons and adorns it with the ideal qualities of Architectural and Engineering Consultancy Services and Construction.

HISTORY

DESIGN DIMENSIONS is a partnership of two architects who after gaining multi-dimensional experience at different consultancies and offices over a period of almost nine years were carrying out their independent private practices in Lahore. The contemplation of sharing experiences for providing state of the art services to establish a Professional Consultancy steered them to join hands in 2007.
